Subject: Conditional Approval of Waste Rock Site Expansion, Canyon Fuel Company, LLC,
Sufco Mine, C/041/0002, Task ID #5014

Dear Mr. May

The above-referenced amendment is approved conditioned upon receipt of 2 clean copies prepared for incorporation. Please submit these copies by October 30, 2015. Once we receive these copies, final approval will be granted.

The Division agrees with the commitment stated in Chapter 2, p. 2-24 that an as-built survey of the volumes salvaged in Phase 1 (Map 2 series) and volumes stockpiled (Map 4 series) will be provided within six months completion of Phase 1. Based upon the information gathered for the Phase 1 as-built, the plan for subsequent phases will be re-defined on all operational tables in the Map series 2 and the stockpiled volumes in Map series 4 will be adjusted accordingly.

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan.

If you have any questions, please call me at (801) 538-5325 or Amanda Daniels at (801) 538-5262.

Sincerely,

Daron R. Haddock *for*
Coal Program Manager
