Subject: Final Approval of Addition of Rock Chute Structure, Canyon Fuel Company, LLC,
C/041/0002, Task ID #5187

Dear Mr. May:

The above-referenced amendment was conditionally approved on May 13, 2016 upon receipt of clean copies. We received the requested clean copies on June 27, 2016. Enclosed is a stamped incorporated copy for insertion into your copy of the Mining and Reclamation Plan.

Approval of this amendment also required an increase in bond of \$418,000 from \$3,944,000 to \$4,362,000. The Division received the revised Reclamation Agreement documents along with the rider to increase the surety bond on June 27, 2016. A copy of the fully-signed and executed documents are enclosed.

Thank you for your help during this process. If you have any questions, please feel free to call me at (801) 538-5325.

Sincerely,

Daron R. Haddock
Coal Program Manager
