Daron, per the information discussed in our conversation and due to the amount of drafting associated with the deficiencies, Sufco is requesting an extension for submittal of the sinkhole task identified. We request that the date be extended to April 3,2017. Please confirm that the Division is in agreement with this extension. Regards, Vicky Miller

Vicky,  
As per your request, the Division hereby extends the date for completing the sinkhole task #5313 to April 3, 2017. Please make every effort to submit the required information by this new date. Please remember that a revised bond amount is needed. Thanks. Daron
