Re: Utah Coal & Energy
Summit County, Utah
ACT/043/001

Dear Mr. Hansen:

This is a request to obtain your assistance in obtaining compliance by a Utah Coal Operator under the Utah Mined Land Reclamation Act.

The operator, Mr. Clem Cafarelli, President of Utah Coal & Energy, has consistently and consciously ignored the Division's requests to supply a complete Mining and Reclamation Plan for the company's Black Hawk Mine pursuant to the Utah Mined Land Reclamation Act. (40-8-1, et seq, U.C.A., 1953, as amended)

I ask that you assign Assistant Attorney General Paul Reiman the task of determining whether Utah Coal & Energy has violated Section 40-8-9 (3) by willfully or knowingly omitting or causing to be omitted from his Mining and Reclamation Plan certain information which is essential to the State in reviewing said plan.

I will supply Mr. Reiman with the details of this case upon his assignment to it. Please contact me if you need any additional information.

Sincerely,

Cleon B. Feight
