RE: Black Hawk Mine
Utah Coal & Energy Company
Summit County, Utah
ACT/043/001

Dear Mr. Smith:

This letter is to inform you that both Matt Haaga and myself are no longer associated with Utah Coal & Energy Company or the Black Hawk Coal Mine in Summit County. This is a result of circumstances beyond our control which we were not aware of at the time of the pre-design conference on July 13, 1981.

I would personally like to thank your department for their assistance and cooperation over the past several months. It was indeed a pleasure dealing with an agency that is willing to work with industry.

I look forward to the possibility of working with you again in the future under other circumstances.

Sincerely,

Eric Quam
