RE: Modification of NOV
#N81-2-2-1

Dear Mr. Cafarelli:

Enclosed is a modification form extending the abatement deadline for NOV #N81-2-2-1 (pertaining to the new sediment pond) to June 5, 1981.

I was unable to contact you earlier to determine your progress with the remedial action required since your recent visit to the Division. The phone number we have listed at the Division is no longer in operation, do you have a number where we could reach you or another UCE representative in the future?

Sincerely,

SANDY PRUITT
RECLAMATION OFFICER
