RE: Mr. Margetts Requesting Clarification of February 14, 1986 Letter of Deficiency, California Portland Cement Company, Blackhawk Mine, INA/043/001, Summit County, Utah

Mr. John Margetts visited the Division on February 18, 1986 to discuss clarification of the letter sent to him by Ken May (dated February 14, 1986). I went through each of the deficiencies with him and stressed how documentation is necessary.

I also introduced him to Ken May and Lowell Braxton. During that conversation, it became apparent that Mr. Margetts was supposedly posting a bond, not for the Blackhawk Mine, but an adjacent mine. It appears that Mr. Margetts is either confused or misinformed about the specifics of the mine permit process.
