RE: Conversation with Mr. John Margetts, February 19, 1986, California Portland Cement Company, Blackhawk Mine, INA/043/001, Summit County, Utah

Mr. John Margetts called Mr. Ken May on February 19, 1986. However, Mr. May was out-of-town on business and the call was transferred to me. Mr. Margetts said that he was told by Mr. Jack Higgins and Mr. Jim Christensen that the Blackhawk Mine does have a federal permit to mine.

I informed Mr. Margetts that this is incorrect. As it would have been appropriate to have Mr. Ken May, Associate Director of Mining, clarify this point, in his absence I urged Mr. Margetts to call Mr. Mark Moench, Assistant Attorney General.
