Dear Mr. Blonquist:

Re: Boyer Mine, PRO/043/008, File #2, Summit County, Utah

I am enclosing your check (#01579) in the amount of \$5.00. The \$5.00 permit application fee was submitted to the Division of Oil, Gas and Mining by Blackhawk Engineering December 1, 1986. A review of our records indicates that Leonard Mackey submitted a \$5.00 filing fee earlier in 1986, that fee being designed to cover application for a coal preparation plant. It is my understanding that the preparation plant is an integral part of the presently proposed mine, and as such that application fee will suffice for the permit application fee for the mine.

If any additional information is required, please advise.

Sincerely,

A handwritten signature in cursive script that reads "Lowell P. Braxton".
