RE: Mining and Reclamation Plan, Summit No. 1 Mine, INA/887/001,
Summit County, Utah.

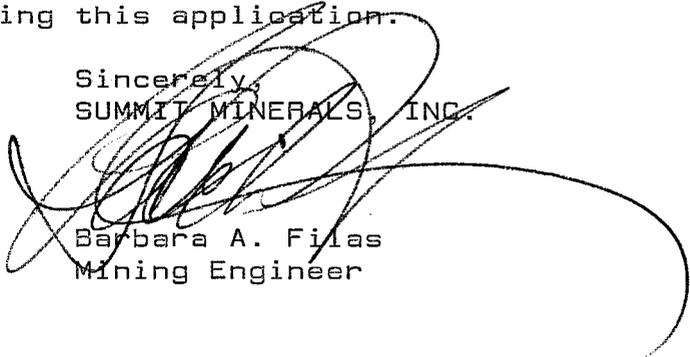

Dear Mr.  Braxton

Summit Minerals, Inc. is herewith providing you with seven (7) copies of the Summit No. 1 Mine Mining and Reclamation Plan (MRP). I have also enclosed a check made payable to the State of Utah - Division of Oil, Gas, and Mining in the amount of five dollars (\$5.00) for the application filing fee.

Although I realize that your office will continue to review the Reclamation Plan submitted November 7, 1986, this MRP is intended to completely supercede that plan. I believe you will find only a few minor differences in the reclamation portion of the MRP from the November submission. This should make the review of the MRP much more simple than if it cross-referenced between the two plans.

I request that you and your staff expedite a timely review of this proposal, since our start-up date now depends almost exclusively on approvals needed from your office. I hope you and your staff will feel free to contact me if there are any questions or problems regarding this application.

Sincerely,
SUMMIT MINERALS, INC.

Barbara A. Filas
Mining Engineer
