(THIS LETTER SENT TO ALL ON THE ATTACHED LIST)

March 2, 1988

Mr. William H. Geer, Director
Division of Wildlife Resources
1596 West North Temple
Salt Lake City, UT 84116

Dear Mr. Geer:

Re: Notification of Permit Denial, Summit Minerals, Inc., Blackhawk Mine, ACT/043/001, Folder No. 3, Summit County, Utah

The Utah Division of Oil, Gas and Mining (Division) is denying a reclamation permit to Summit Minerals, Inc. The Division has determined that the permit application is not technically complete and does not demonstrate compliance with all the "Regulations Pertaining to Surface Effects of Underground Coal Mining Activities, Final Rules of the Utah Board and Division of Oil, Gas and Mining," promulgated under the Utah Coal Mining Reclamation Act (Utah Code Annotated 1953, Section 40-10-1 et seq).

Notice is hereby given to all appropriate agencies and individuals having jurisdiction over, or an interest in, the area of the proposed operations, pursuant to UMC 786.23(d)(e)(f), that a permit has been denied to said permittee. Due to the fact that there is surface disturbance at the Blackhawk Mine, Summit Minerals, Inc. has been ordered to reclaim the property, in concert with the Act, the rules and the Utah State Program, by October 15, 1988.

The lands included in the permit application are described as follows:

Township 3 North, Range 6 East, SLBM

Section 36: SE1/4 NE1/4

Individuals wishing to review the complete plan and letter of denial or to submit comments in response to this decision and notice, should direct written requests to the Division.

Sincerely,

Lowell P. Braxton
Administrator
Mineral Resource Development
and Reclamation Program
