RE: Potential Permitting of Boyer Mine, ACT/043/008, Folder #2, Summit County, Utah

Mr. Mike Nyberg, who expressed interest in reinstating an approved permit for the Boyer Mine, was notified by letter in October of 1989 that he had until the end of January 1990 to submit a complete permit application and adequate reclamation bond for the property.

My Nyberg notified me by phone in December of 1989 that he was no longer interested in the property and that no correspondence on permitting would be forthcoming.
