**Black Jack #1 Mine
New Tech Mining
Corp.
C/019/004**

The Reclamation Bond for this coal exploration project was forfeited in 1990 and the project was reclaimed November 1992. Since the Black Jack #1 Mine is considered an abandoned site, the Division of Oil, Gas and Mining proposes, in lieu of the inspection frequency established in R645-400-130, that inspections be set at a frequency commensurate with the public health and safety and environmental considerations present, but in no case shall the inspection frequency be set at less than one complete inspection per calendar year. The site was last inspected on January 30, 2003, and no threats to public safety or the environment were noted.

Black Jack, #1 Mine is Located on:
Fee Land, T20S,
R20E, SLB&M, Section 29: NE-1/4
