Re: Drilling-Utah Coal and
Energy, Inc.
Summit County, Utah

Dear Mr. Bon:

Thank you for your December 7, 1978 Notice of Intent to Drill concerning the six holes to be drilled for Utah Coal and Energy, Inc., in Section 36, Township 3 North, Range 6 East; Section 6, Township 2 North, Range 7 East; Section 2, Township 2 North, Range 6 East, Summit County, Utah.

The notice satisfies the requirements of the Utah Mined Land Reclamation Act. The proposed plugging program is adequate. Reseeding should be done with a grass-shrub-forb mixture. As a reminder, lease requirements of the Division of State Lands must also be met.

The Division requests that careful attention be given to groundwater encountered during drilling and a report of such be forwarded to us at the completion of the drilling project.

Thank you for your cooperation.

Sincerely,

K. MICHAEL THOMPSON
ENGINEERING GEOLOGIST
